Name: Alexander Gabbert

Date: 01/01/2021

1. What's the biggest problem holding you back from your next level?

I can't seem to get facebook ads to work for my new offer

2. What are your possible solutions to solving that issue?

I can try hiring a facebook ads consultant to help, I can try adding an upsell to my offer to help with costs, I can try writing better copy and see if that improves it

3. What is the #1 thing that could fuel your next level?

I have so many amazing facebook followers, but I can't seem to find a successful way to monetize them!

4. What are the best strategies or ideas to immediately take action on so you can capitalize on your full potential?

the best strategy is to fix my copy and add an upsell!
